light timber**

Tested at Level 4 – General Commercial

Blue Tick
Product
Certification

Certification is based on the above Standard and any additional testing and/or assessment conducted by Furntech-AFRDI during auditing processes and is limited to the features and options depicted and listed on this certificate.

The supplier having agreed to maintain the compliance of the product and to submit to retesting and auditing as appropriate, the Australasian Furnishing Research and Development Institute hereby certifies the product under the AFRDI Blue Tick Product Certification Program.

This certificate does not relate to fabrics or other upholstery coverings – chairs cannot comply with the certification criteria unless the fabrics or coverings used (if any) meet the flammability requirements of AS/NZS 4088.1 and the care labelling requirements of AS/NZS 1957.

This certification is valid for three years but may be suspended, revoked or renewed.

Certified Features/Options
Without arms
Non upholstered
Stacking
Glides
